Jacob/Nicole,

I need your help regarding trash disposal services. Currently, Beacon House collects trash from the sidewalks, trash receptacles and vegetation throughout San Pedro.

What they have been doing in the past is taking the trash to the LA City Sanitation yard for disposal. Until recently, this has not been an issue. However, perhaps there has been a change in personnel and they are getting more push back from the yard.

We would like to formally request to bring ONE FULL TRUCK LOAD EACH MONDAY to the sanitation yard. This trip would include the trash they collect throughout all of San Pedro.

On behalf of Beacon House and the San Pedro PBID, we would like to thank you for your assistance.

Happy Holidays!

Best regards,

Lorena Parker
